

Friends,

The SCOW Board is calling for an electronic vote to change SCOW By Laws.

Expect an email in about 10 days to cast your vote.

Briefly – in an effort to facilitate “electronic” Membership renewals – the Board is asking Membership to approve changes to the By Laws – specifically ARTICLE VIII:
MEMBERSHIP

PURPOSE

- Membership renew process easier, less confusing & less time consuming
- Couple of clicks and you're done
- Membership Agreement – reduced to one page
- Skipper Agreement - reduced to two pages
- No more electronic signature or form uploads, renaming PDFs, etc
- Eliminate paper forms & storage of forms
- Significantly reduces time necessary for processing by our Member & Skipper Directors
- Membership & Skipper Agreements become perpetual, not requiring annual submission

Attached is a copy of the draft of the change.
